Dear John:

Thanks very much for offering to support our efforts to help Congress create a secure mechanism to handle promotion lists that contain the names of officers performing classified duties. The proposal is being coordinated within the Department of Defense and will be forwarded to the Office of Management and Budget soon.

Your desire to help is very gratifying and appreciated. I will let you know when the legislation is passed to Congress.

With warm personal regards.

Most sincerely,

JOHN A. WICKHAM, JR.

STAT

I'm not sure whether it will help or hinder, but if you think it would be useful, the Director and I are prepared to weigh in with the Senate and House intelligence committees to solicit their support for whatever special legislation may be required to give you relief from the Act.

If you feel it would be appropriate, please don't hesitate to call.

Sincerely,

John

Here's the Army position
how far we talked about
this am. I talked to
Jim Williams who appeared
powerless to do anything about
it - which I find ridiculous.
You may wish to discuss
with Hickman the L+R - suggest
you ask him if you or DCI
should weigh in w/ S/REP.
